

The UPS Store #3768 Comments on Docket MC2012-26

7/31/12

To Whom It May Concern:

My name is Daniel Sparks and I'm the owner of The UPS Store #3768 in Eagle, Idaho. As an owner of a The UPS Store for a little over 7 years, I've come to a much clearer understanding of how our business and the Postal Service business work together and complement each other. However, the latest action requested by the Postal Service in the Docket MC2012-26 could be potentially devastating to our business. I take competition head on and I'm willing to accept changes in the marketplace that are fair to the market participants, but in this case the Postal Service is requesting a change in the rules that benefits only themselves while damaging the rest of the market which isn't fair. I hope you will reconsider your request for the change referenced in the above docket.

Respectfully yours,

Daniel W. Sparks
